

HOW TO PLACE AN ORDER & CURBSIDE PICKUP INSTRUCTIONS

1. Request a curbside account with us – we will review your account information within 24-48 hours and get back to you.
2. Upon approval, you will receive a confirmation email.
3. When ready to place an order, login using your email address and the password you created.
4. Shop by department – limiting your order to 40 items.

Tip: Be sure to pay attention to the unit of measure. For example, for items sold by the pound, please enter the number of pounds you want (0.5, 1, 1.5, 2, etc.).

5. Proceed to checkout where you will choose your pickup location, date and time.
6. An order confirmation will be emailed to you upon completion.
7. Please arrive at the market within your time window – we are fulfilling many pickup orders throughout the day and are working on a timely schedule.
8. Park in the designated area for curbside pickup (see below).
9. Your assigned shopper will locate your vehicle, review your order, collect your credit card and process the payment inside the market – you do not need to call when you arrive.
10. Once payment is processed, they will return with your receipt, credit card and groceries.
